

How are you buddy? Ok, I've got very very unusual request for you. I have somebody I want to get off the Back Bay Architectural nagging at me and, ah, if you could do that for me. It's my son Patrick. He's turned into a real problem for me. If you would, I'd appreciate it tremendously. I don't know how you'd do it, if you can just, ah, erase the job somehow or something. I don't know. He's a pain in the ass, he'll be a pain in the ass. So, thank you Harry. Hey, give me a call 617- [REDACTED]. Thank you. I hope all is well with you and I hope you're down in Florida where you should be I had to come up because I had some legal stuff and everything else I had to do. Thank you Harry. Bye bye. Let me know.
